

DPD Course List

Directions to DPD Program Director: Complete this form listing the program requirements for the catalog year on which the applicant’s degree is evaluated by categorizing the courses as either DPD Professional Courses or DPD Science Courses. Provide a copy of the completed form to the applicant. They must use it to correctly enter all of their completed or in-progress DPD courses in the Coursework section of the application as either DPD Professional or DPD Science courses. The form should NOT be specific to the exact courses an individual applicant has completed; it should only list requirements in place for the catalog year on which the applicant’s degree is evaluated.

Directions to the Applicant: Obtain this completed form from your DPD Program Director. This completed form **MUST** be uploaded to the “DPD Course List Form” section of your DICAS application before the application can be submitted; it should not be amended or changed. Before uploading the form, it must be used to correctly enter your completed or in-progress DPD courses as either DPD Professional or DPD Science courses into the Coursework section of your application. If you completed an alternate or substitute course or you transferred in a course from a different institution to fulfill one or more of your course requirements, enter the alternate course into the Coursework section of the application.
